Mary's Meals

Mary's Meals is a simple solution to world hunger. In our 21st year, we provide a daily meal to 2,429,182 children every school day in some of the world's poorest countries. It costs just €22 to feed a child in a place of education for an entire school year. For more information, please check out www.marysmeals.ie or contact Angela Moore at 089-4339592 or angela.moore@marysmeals.org.

Church Envelopes

There are still some Church envelopes to be collected from the Parish Office. If you have not yet received your envelopes and wish to do so you can call to the office during office hours or phone us and we can leave them in the sacristy for you to collect.

We would still appreciate help to deliver envelopes to some areas if people are available to do so.

A Sleeping World Emerges

A sleeping world emerges to new possibilities,
weakening winter's icy grip,
and birdsong and bleating lamb
announce to all the promise
that in due season
creation bursts into life.
And whilst leaves that fell in winter
lie upon the ground,
soon to feed the earth,
in nature's wondrous cycle
of death and rebirth,
within the tree is a stirring of new growth.

Line Dancing Classes

Start up again in Dunkerrin on Thursday 2nd Feb at 8pm.

Ray of Sunshine/ Mombasa 2023

Week past the Second Group of 46 volunteers returned to Ireland from our project. The Rescue Centre/Care Home is now up and running albeit a few jobs on the snag list to be completed. The girls who will reside here are doing very well and will even do better now that they have a new home. We all know that home is where the heart is, so from the bottom of my heart I sincerely thank all volunteers from all over Ireland. I also thank so many who donated financially to make the project a fantastic success. The volunteers left Africa really enriched by the experience especially because of our interaction and work with local people. We all know Education is the only road to rising out of poverty. So, the girls who have their new home now will have an opportunity to attend our Secondary School that the Ray of Sunshine built in 2010. Long live volunteering in our parish communities! Praise God and again my gratitude. Please check out Ray of Sunshine Website, Facebook & Instagram for all photos and videos of the entire project from beginning to end.
