Prayer Before an Exam

God be with me as I take this exam. Keep my mind alert and my memory sharp. Calm my nerves and help me to concentrate.
I know that you walk with me, guiding my path and inspiring my heart
I pray that I will feel you with me; and that your friendship would soften the pressure I feel. Help me to do the best that I can. I ask this for my fellow students too, at home and across the world. That we might all go on to new things with you.
Amen

All in June

A week ago, I had a fire to warm my feet, my hands and face;
Cold winds, that never make a friend, crept in and out of every place.
Today the fields are rich in grass, and buttercups in thousands grow;
I'll show the world where I have been … with gold-dust seen on either shoe.
Till to my garden back I come, where bumble-bees for hours and hours sit on their soft, fat, velvet bums, to wriggle out of hollow flowers. **By William Henry Davies**

A though as we receive the Sacred Host

"Amen" is our response as we receive the host at Communion. The translation of Amen is:
Truly, firm, so be it.
As we receive the host, we firmly believe that we receive the Body of Christ.
Jesus truly enters our hearts so that we may become what we receive.

Thought for today

It is good to ask ourselves "what would Jesus do?"
It is a question that will challenge and stress us.
I will admit that when I do it, I often find myself wondering if
I would recognise Jesus at all, if he was here and active among us.

Exam Prayer

Lord, calm my fear at exam time. Help my strained memory in times of doubt. Help my tired hand write it all down. Let the work I have done stand to me today. Do not allow what remains undone to undermine my courage. Help me to make the best of my knowledge. You have a loving plan for my whole life. Whatever the outcome exams are a part of this. Let Your will be done, and may all I do lead to you. **Amen.**
