A Prayer for Teachers & Students

What will this week bring?

You do not know; I do not know.

It will bring its usual quota of work & play, of success & failure,

all the things that are part of school life.

It is a new beginning,

the planting of a seed that will grow for a lifetime.

The seed of fruit that will blossom in times to come.

It is a new hope – hope for good work, for successful results, for friendship, for fun, for learning.

In these challenging times, it is also a hope for safety & protection of students & staff.

In this coming week, may there be learning, prayer & fun.

May there be hard work, faith & friendship.

May no-one be lonely; may no-one be left out in class; may no-one suffer through others at school or college.

As we begin this new week

in hope, in prayer & in friendship,

may the Lord begin it with us, be with us during it, and successfully bring it to its conclusion.

May we, this week, together act justly, together love tenderly, and together walk humbly with our God. Amen.

Make sure you test positive for faith...Keep your distance from doubt...and isolate yourself from fear... Trust in God through it all...
