ROSCREA TIDY TOWNS**Adjudication Report 2023**

“We hear again about your age-friendly seat and its recycled origins. Thank you for the information on your e-charging points. Well done to your community employment staff for the hard and ongoing work that they do. The Town Square does now look great without all the cables and other clutter. We're pleased to hear that the new Smart Bins are a better option. Well done on organising the Big Sweep. Kennedy Park was the first estate we visited and it was great to see so many children out playing on this fine evening. The project going on there is very good. The gardens were large and well-tended. Generally, a high standard of maintenance was noted around ROSCREA. Lots of front gardens are open to the view of the pavement and these typically looked good. The fountain, a really important historical feature, has had something of a revamp to improve appearance as well as sealing it up. The Fountain now does look super! The Mall remains the adjudicator's favourite thoroughfare in ROSCREA. The battle sculpture is really great. Well done to the artist and those maintaining. Thank You for all you do for ROSCREA”...

What a great report in this years National Tidy Towns Competition! Well done ROSCREA TIDY TOWNS COMMITTEE. Keep up the great work for our Community & Environment. Here's to next years National Competition. Please let us all Reduce, Reuse & Recycle. **Fr. John.**

Prayer for Migrants & Refugees

Lord, make us bearers of hope, so that where there is darkness, your light may shine, and where there is discouragement, confidence in the future may be reborn. Lord, make us instruments of your justice, so that where there is exclusion, fraternity may flourish, and where there is greed, a spirit of sharing may grow.

Lord, make us builders of your Kingdom, together with migrants and refugees and with all who dwell on the peripheries.

Lord, let us learn how beautiful it is to live together as sisters and brothers. **AMEN**

We Remember Them

In the rising of the sun and in it's going down,
we remember them.

In the blowing of the wind and in the chill of winter,
we remember them.

In the opening of the buds and the warmth of summer,
we remember them.

In the rustling of leaves and the beauty of autumn,
we remember them.

So, long as we live, they too shall live, for they are now a part of us. AMEN.
