Aid to the Church in Need

This year, the assigned partner in the Mission Programme for the Diocese of Killaloe is *Aid to the Church in Need*. ACN is a Pontifical Foundation, established in 1947. The projects of ACN include promoting the Gospel, supporting the missionary activity of the Church and, in particular, supporting Christian communities in countries where they are oppressed. The foundation is active in 140 countries worldwide. You can find more details on www.acnireland.org

Aid to the Church in Need speakers will be speaking at Masses in our Pastoral Area next weekend.

The primary focus of the visit is the promotion of awareness.

As usual, however, the visiting speaker will make him or herself available to meet people as they are leaving the Church and, in that context, may offer promotional material and / or envelopes in which those who wish can make a contribution directly to ACN.
