Another Interpretation of Prayer...

Prayer doesn't only happen when we kneel or put our hands together and focus and expect things from God. Thinking positive and wishing good for others is a prayer.

When you hug a friend, that's a prayer!

When you cook something to nourish family and friends, that's a prayer!

When we send off our near and dear ones, and say "drive safely" or "be safe," that's a prayer!

When you are helping someone in need by giving your time or energy, that's a prayer!

When you forgive someone, that's a prayer!

Prayer is a feeling, a thought, the voice of love and friendship. Prayer is an expression of your silent being!

Keep praying...always!!
