World Day of Migrants & Refugees

Long have we known that God's heart is with the migrant & refugee: Jesus was born in a time of refugees fleeing violence in their homeland, people who had to flee to an alien country. Lord, give us hearts that break open when our brothers & sisters turn to us with a cry of need. Let our eyes see a moment of grace instead of a threat. Let our tongues advocate instead of being silent. Let our hands reach out, both to work for peace in their homelands & to work for justice in the lands where they have sought haven. Lord, protect all migrants & refugees in their travels. May they find a friend in me. Amen.
