### A Wish for the Week Ahead

May you discover at least one good thing in every day,  
Even if you have to put on your glasses & squint!

May you carry hope in your pocket,  
Hope in your heart & love in both hands.

May your coffee sustain you,  
May your kindness guide you,

May you learn & grow from your experiences...

Or at least survive them!

May your purpose stay steady & firm,

May your spirit be fresh & strong

And may you choose to protect your peace & happiness  
Calmly, but firmly!
