Consultation on Education about Religions and

Beliefs (ERB) and Ethics: Submissions on proposals will be accepted up to March 31st. There is an option to complete an online survey www.ncca.ie/consultation/erbe, but an Advisory Group suggest that written submissions would be the better option. Submissions do not have to be particularly long or detailed & can be submitted by post to: ERB and Ethics Consultation, National Council of Curriculum & Assessment, 35 Fitzwilliam Square, Dublin 2 or by email to info@ncca.ie. A strong case can be made that Catholic schools currently make provision for inter-religious & inter-cultural learning & awareness in terms of their policies, ethos, leadership, the programme in religious education & across other curricular areas. This commitment to inter-religious & inter-cultural dialogue is clearly outlined in the recently launched Preschool & Primary Religious Education Curriculum for Ireland & in Grow in Love.
