Easter This year, the celebration of Easter, our greatest feast, is quite early. Holy Week presents to us the whole range of human life & human emotions. No doubt, at some point, all of us will go through what Jesus experienced during Holy Week. The great excitement of Palm Sunday, the friendship of Holy Thursday, the dying of Good Friday, all visit us at some time. The basic element of our faith is that Christ has died & He has risen & that we can all share in that miracle. Our faith tells us never to lose hope. May we all hold onto the values & the Easter vision that Jesus brought us.
