Thought for the Week:

April 22nd is World Earth Day. It is a day when we bring to mind the wonder of our common home, its fragile beauty and extraordinary significance to us.

O God, we thank you for this earth, our home; for the wide sky and the blessed sun, for the ocean and streams, for the towering hills and the whispering wind, for the trees and green grass.

We Thank You for our senses by which we hear the songs of birds, and see the splendour of fields of golden wheat, and taste autumn's fruit, and rejoice in the feel of snow, and smell the breath of spring flowers.

Grant Us a heart opened wide to all this beauty; and save us from being so blind that we pass unseeing when even the common thornbush is aflame with your glory.
