Trócaire is working in many areas of conflict to ensure people have a chance of a better future. Find out more about the Lenten campaign at www.trocaire.org/lent

Thought for the week:

Be Grateful.....

That you don't already have everything you desire;
This keeps you looking forward.
When you don't know something,
For it gives you the opportunity to learn.
For the difficult times, during these times you grow.
For your limitations, because they give you opportunities to expand.
For your mistakes, they have taught you valuable lessons.
For the people in your life;
They are sharing your journey, and can share your load.
When you are tired and weary, for you have come a long way.
