Trócaire held a national Church collection last weekend to fund life-saving aid for people currently affected by the devastating hunger crisis in East Africa. **The Trócaire collection will be held this weekend in our Parish. It will be taken up after each Mass.**

Over 24 million people are facing malnutrition and the threat of famine. The money raised will go directly to Trócaire emergency response, which is helping to deliver food, water, healthcare and other life-saving aid to people affected. Announcing the collection, Archbishop Eamon Martin, Archbishop of Armagh and Primate of All Ireland, said the situation is critical and urged support for the collection from parishioners.
