Thought of the week - Feast day of Saint Mother Teresa 05th Sept -

People are often unreasonable & self-centred - forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives – be kind anyway.

If you are honest & sincere, people may cheat you – be honest & sincere anyway.

What you spend years creating, others could destroy overnight – create anyway.

If you find serenity & happiness, people may be jealous – be happy anyway.

The good you do today may be forgotten tomorrow – do good anyway.

Give the world the best you have & it may never be enough – give your best anyway.

For you see, in the end it is between you & God – it was never between you & them anyway.
