Safeguarding – Learning from the Past

In his *Ad Limina* address to the Irish Bishops on 28th October 2006, Pope Benedict XVI stressed the need to:

- (i) establish the truth of what happened in the past;
- (ii) take steps necessary to prevent it from occurring again;
- (iii) ensure the principles of justice are fully respected;
- (iv) above all, to bring healing to the victims & to all those affected by these egregious crimes.

As a church, we commit to this journey of justice, truth, healing & abuse prevention.

One Golden Hail Mary

One fervent Hail Mary with love and thought said
Is better than volumes of prayers poorly read.
If time and one's duties prevent a long prayer,
Just say one Hail Mary with fervour and care.
The "Golden Hail Mary" which from the heart springs,
The greatest of blessings from Mary it brings;
And we never will know til before Mary's throne,
How that daily Hail Mary brought us to her home.
