Aoife Sutton - Thank You Message.

I just want to say a massive thank you to everyone who supported me this year with my fundraising for my trip to Uganda.

Without your help and support I would not have been able to travel and help those who were suffering. While there, I worked within a health clinic and with the local community to treat mainly HIV affected people. It really was a life changing experience and I felt as if our help was really needed.

The majority of the funds given to me went directly to those who needed it most, on both treatment and food. Thank you all very much.

Congratulations to all the players & management of Moneygall/Clonakenny on winning the North Tipp Minor A Hurling Final last weekend.

in aid of Moneygall native Sharon McGrath (nee O'Meara), In late 2015, was diagnosed with Acute Lymphoblastic Leukemia.

Since then she has spent the majority of her time a hundred miles from home in isolation undergoing chemotherapy treatment with countless blood transfusions and a bone marrow transplant. In the meantime there is a family to raise, care to be provided and the expense of ongoing treatment to be met. Leukemia impacts on your health and your humour but we shouldn't allow finances to impact hope.

Where: Church of Ireland Hall, Moneygall
