Ballaghmore Clean Up Week

Taking place until Wednesday 25th April – please make a good effort to clean your area. Full bags will be collected free of charge. Many hands make light work!

Be a candle – Spread some light!

Sometimes the world may seem like a dark place, but there is more good in the world than any of us can possibly imagine. Negativity gets more press, but there are far more people performing acts of love & kindness in this world than those few who seek to disrupt it. These countless individuals are beacons of hope who often perform deeds without notice & without any expectation of anything in return, but no act of kindness, no act of bravery, no act of love, no act that instills hope in another is ever wasted. So let your light shine!

You may never know when you are a beacon of hope or a source of inspiration to others, but it matters. It always matters!
