Daffodil Day 23rd March: More people are surviving cancer now than ever before thanks to life saving research. The Irish Cancer Society provides huge care & support to people & only 2% of their funds come from the state. They are hugely dependent on the generosity of the public to fund vital services such as night nurses, volunteer drivers & free phone cancer nurse line to name but a few. None of this would be possible without the strong support for Daffodil Day across Ireland. **Roscrea is a great supporter of Daffodil Day & this year we are looking for our regular volunteers & anybody else interested in helping us to contact Pamela Landy on 086-1750913.**
