Training programmes for the Ministry of Catechist and the Ministry of Pastoral Care will begin in the Autumn. These new ministries, open to women and men, will be of interest to those already involved or those wishing to be more involved in the life of their local Church community. They will involve lay people working side by side with priests in key ministries in parishes and pastoral areas. Brochures are available at the back of the Church or on the Diocesan Webpage.

You may think that you are completely insignificant in this world...but someone drinks coffee every morning from their favourite cup that you gave them...Someone heard a song on the radio that reminded them of you...

Someone read the book that you recommended, and plunged headfirst into it... Someone remembered your joke and smiled, returning home from work in the evening... Someone loves himself a little more, because you gave him a compliment...Never think that you have no influence whatsoever. Your trace, which you leave behind with even just a few good deeds, cannot be erased!
