Thank you for your continued generosity & support!

Like Stepping Stones!

Our prayers are like stepping stones!

They enable us to cross safely over the adverse currents

That otherwise would catch us

And perhaps put us off completely

From crossing over to you, Lord.

Our prayers are like little islands

In the flowing stream of a busy world.

We step from prayer to prayer,

Keeping in touch with you Lord,

Not letting all the fashions and fancies of the world

Take us away from following you. Amen.
