### Indispensable Man

Sometime when you're feeling important,  
Sometime when your ego's in bloom,  
Sometime when you take it for granted  
You're the best qualified in the room;  
Sometime when you feel that your going  
Would leave an unfillable hole,  
Just follow these simple instructions  
And see how they humble your soul!  
Take a bucket & fill it with water,  
Put your hand in it up to your wrist,  
Pull it out & the hole that's remaining  
Is a measure of how you'll be missed!  
You can splash all you wish when you enter,  
You may stir up the water galore,  
But stop & you'll find that in no time  
It looks quite the same as before.  
The moral of this quaint example  
Is do just the best that you can,  
Be proud of yourself but remember,  
There's no indispensable man!
