*Imagine this....!*

If you had €86,400 in your bank account & someone stole €10 from you, would you be upset & throw all of the remaining €86,390 away, in the hope of getting back at the person who took your €10???

Or move on & live?

We have 86,400 seconds each day.

Don't let a negative 10 seconds ruin the remaining 86,390! Try not to sweat the small stuff...life is bigger than that!
