### What is a Dad?

A dad is someone who wants to catch you before you fall  
But instead picks you up, brushes you off & lets you try again.  
A dad is someone who wants to keep you from making mistakes  
But instead lets you find your own way,  
Even though his heart breaks in silence when you get hurt.  
A dad is someone who holds you when you cry,  
Scolds you when you break the rules,  
Shines with pride when you succeed,  
And has faith in you even when you fail...

Wishing all the dads in our parishes a very Happy Father's Day! We remember also those fathers who are no longer with us & we thank God for the gift they were in our lives.
