Happy Father's Day

Happy Father's Day to all the Dads in our parishes. We also remember all those Dads who are no longer with us. Fathers Day is a celebration of much more than a celebration of fathers. It's a celebration of all the people in our lives - our parents, our friends & all the father figures - who help fathers carry out their important role each & every day. We thank God for these important men & ask Him to send them an abundance of blessings!
