A Parent's Back to School Prayer

Thank you for the gift of my children!

Please watch over them as they return to school & protect them from negative influences.

Help them to be a light to others & help them to show love, care & respect to their friends & to their teachers.

Please protect them from being bullied, but if they face such pain & trial, give them courage to stand up for themselves & for others.

Help them to remember when they are scared or afraid that You are there with them. As much as I love my children, I know that You love them more & You will be watching out for them. Thank you God for your goodness & for the opportunities you send us.

Amen.
